

Sinclair Broadcasting, by forcing their affiliate stations to air an anti-Kerry documentary days before the election is rank partisanship and illegal. The Public airways belong to "The Public" and not to some Corporate CEO.

If Sinclair's stations air "Stolen Honor", then they are obligated to air an "Equal Time" broadcast, in other words "Going up River", the other side of the "Kerry-Vietnam" story.

I will be contacting the FCC regarding Sinclair Broadcasting's illegal use of the Public Airways.

Sincerely,

Gloria Calomee
